**NOTICE OF PUBLIC HEARING**

**REISSUANCE OF WASTE DISCHARGE REQUIREMENTS (Order No. R3-2009-0047)  
(National Pollutant Discharge Elimination System Permit)  
FOR  
CITY OF PISMO BEACH  
WASTEWATER TREATMENT FACILITY  
SAN LUIS OBISPO COUNTY**

On the basis of preliminary staff review and application of lawful standards and regulations, the California Regional Water Quality Control Board, Central Coast Region, proposes to reauthorize discharge of treated wastewater from the City of Pismo Beach Wastewater Treatment Facility by reissuance of waste discharge requirements.

The City of Pismo Beach provides treatment of municipal wastewater from the City's residents and businesses. Treated wastewater is discharged to the Pacific Ocean.

Persons wishing to comment upon or object to the proposed reissuance of these requirements are invited to submit comments in writing to the above address no later than **August 21, 2009**. All comments or objections received prior to that date will be considered in the formulation of staff recommendations regarding the waste discharge. The Central Coast Water Board will not accept comments or other written submissions on the draft Order after **August 21, 2009**, unless the Central Coast Water Board chairman rules that exclusion would create a severe hardship, and that the late submission will not prejudice any party or the Central Coast Water Board. Any person submitting late comments must explain why the materials were not submitted by August 21, 2009. The Central Coast Water Board Chairman will rule on late submittals at or before the hearing. Late submissions that consist of evidence (as opposed to policy statements or comments) are generally prejudicial unless all designated parties and Central Coast Water Board staff have time to consider the evidence before the meeting.

The Central Coast Water Board will hold the following public hearing to obtain public comment at 8:30 a.m. on Friday, October 23, 2009, in the:

Santa Barbara County Offices  
Supervisors' Board Hearing Room, 4<sup>th</sup> Floor  
105 East Anapamu Street  
Santa Barbara, California 93401

Interested persons are invited to attend to express their views on issuance. Persons making presentations should confine their statements to this issue. For the accuracy of the record, all important testimony should be submitted in writing. Oral statements should be brief to allow all interested persons time to be heard.

The Report of Waste Discharge, Fact Sheet, related documents, and all comments and petitions received may be inspected and copied at the office of the Central Coast Water Board, 895 Aerovista Place, Suite 101, San Luis Obispo, California 93401-5427, on weekdays between the hours of 8:00 a.m. and 5:00 p.m. Please direct comments and questions to **Sorrel Marks at (805) 549-3695** or Burton Chadwick at (805) 542-4786 at this office.

Please bring the foregoing to the attention of any persons known to you who would be interested in this matter.
